Hey Jessica,

Just talked to Jamie. She said it's 404 related and they'll be discussing mitigation. They'll be doing field visits on October 1st and October 5th. Do you think we could get someone else to cover for Jamie?

Thanks,

Stephanie

Hey Stephanie -

Ok so I guess there are two dates for this site visit. Turns out I can't do either so if you can still cover it you have your choice of Oct 1 or Oct 5th. Let me know which date is better for you and I will let Sonny know.

Thanks again for all your help

Jamie

Greetings!

Per my email on Friday, September 17, 2010; based on common availability (or lack thereof) I am booking TWO meeting dates for the Southport Q&A meeting to allow some flexibility for all of you and your busy schedules. I am sending two outlook meeting announcements so you can add the Southport Site Visits to your calendars. If you wish to attend the meeting on Friday October 1st at 9:30 AM please accept this invitation.

The second meeting request (sent separately) provides you an opportunity to attend the Tuesday October 5, 2010 meeting. Please reply to the meeting notice for either Friday, October 1, 2010 or Tuesday, October 5, 2010. Feel free to reply to both meeting notices if you are not sure at this point which one you will be attending.

We will meet in the parking lot immediately north of the guard gate at the entrance to the Philadelphia Naval Business Center (on South Broad Street about 200' South of the Rt. 95 overpass). Wear your walking shoes, field clothes and I also recommend sunglasses or safety glasses as phragmites can be pretty hard on the eyes. We will visit the site, then have a question and answer session.

Attached are the directions to the site.

Hi Jess,

I'm still going to the Southport meeting tomorrow. I touched base with Jamie and she let me know some of her concerns with the mitigation. Also, Mike has knowledge of the area and has offered to come with me. We're only going for half the day so we'll be back in the office after it's over and we're taking public trans down to the Southport site. Just wanted to give you a heads up.

Hey Jamie,

Got your message. It was very cold and very rainy out on Tuesday. Are you free next week? Mike and I can call you to fill you in on the Southport site visit.
